About Us

In becoming a name that is worthy to be praised, numerous people of a company work together with immense sincerity. From the year 2003, business leader of Hyper Valves Private Limited along with 20 dexterous individuals is working hard to make company, a trustworthy name in its sector. Systematically, each and every business task is done by us in order to serve Safety Valve, Pressure Relief Valve, Thermal Relief Valve, Pressure Reducing Valve, Back Pressure Regulating Valve, Pressure Vacuum Relief Valve, Automatic Control Valve, Nozzle Check Valve, Dual Plate Check Valve, Air Header etc. to customers.

As a manufacturer and exporter, we are dealing valves that direct, regulate and control the flow of liquid, slurries and fluidized solids by closing, opening and partly obstructing passageways. Our business entity makes use of quality-marked base materials in designing offered line. This is done because we are well-acquainted with the fact that quality of base materials becomes foundation of finished product-line's quality standards.

Safety Valve, Pressure Relief Valve, Thermal Relief Valve, Pressure Reducing Valve, Back Pressure Regulating Valve, Pressure Vacuum Relief Valve, Automatic Control Valve, Nozzle Check Valve, Dual Plate Check Valve, Air Header etc. Hyper Valves Private Limited is a Ahmedabad (Gujarat, India), settled company that has managed to earn a huge market goodwill because of ethical business practices, quality-focused business approach and customer-centric work ideology. Till date, our business entity hasn't received complaint related to quality of products because we pay a huge focus on manufacturing offered line. Pressure Relief Valve, Pressure Regulator, High Pressure Valves, Pressure Reducing Valve, Thermal Relief Valve, Pressure Safety Valve, Dual Plate Check Valve and all other offerings of our company are examined on several parameters. We do this in order to serve our valued clients nothing below the best. Our company makes use of quality-assured base materials in making offered line. Our market leading experience has made us perfect partners to national and international clients.

Key Facts

Nature of Business	Manufacturer
No of Staff	20
Year of Establishment	2003
No of Production Lines	1
OEM Service Provided	No
Monthly Production Capacity	Order based

Our Products

Gas Safety Relief Valve

Pilot Operated Pressure Relief Valve

Pilot Operated Safety Relief Valve

Thermal Relief Valve

Gas Pressure Relief Valve

Cryogenic Safety Valve

Thermal Pressure Safety Valve

Close Bonnet Safety Relief Valve

Pop Type Safety Valve

Screwed End Safety Relief Valve

Tri Clover Pressure Relief Valve

Flange End Pressure Relief Valves

Flange End Safety Valve

Thermal Safety Relief Valve

Flange End Safety Relief Valve

Pressure Relief Valve
